SIG reviews increased offer of CVC/FERD

The Board of Directors of SIG has taken notice of today's announcement of Romanshorn S. A. (controlled by "CVC/FERD") to increase its public offer for all outstanding shares of SIG from CHF 325 per share to CHF 400. This increased offer is a result of the public auction process undertaken by the Board.

The Board will review the offer and provide an opinion within due course.

SIG is a global provider of packaging solutions. Its product range includes the manufacture of cartons for beverages and food products, as well as machinery for the aseptic and non-aseptic filling of packages (SIG Combibloc division). In the PET sector, equipment for the production, coating and filling of plastic bottles completes the product spectrum (SIG Beverages division). In 2005, the approximately 4,800 employees generated annual net sales (continuing business) of EUR 1.2 billion. The company has its registered office in Neuhausen am Rheinfall (Switzerland) and the SIG share is listed on the Swiss Exchange SWX (SIGN, security no. 1202249).
